

**Fits Flat  
Screens Up  
To 60"**

# **Pioneer Slim Pack Instructions**

- **Fold corrugated sheets to make four corners.**
  - ⇒ **Telescope two sheets together to make bottom.**
  - ⇒ **Spread and interlay the two pieces so they are the approximate length of the TV.**
- **Place foam corner pad in each corner.**
  - ⇒ **Place two center pads on the bottom.**
- **Secure TV in the foam.**
  - ⇒ **Nothing should ever touch the screen, other than white cover sheet.**
- **Place the white cover sheet on the top of TV and cover the screen.**
- **Place top corner pads over the white cover sheet on each corner.**
- **Place the center pads on the top center of the TV.**
- **Fold the other two corrugated sheets and place on top.**
- **Place 2 Velcro straps on the top, position the straps over the center foam pads and tighten.**
- **Wrap final strap around body of pack and tighten.**
- **Handle with care!**
